

## Lilly's Reading Habits

I want to tell you about my reading habits.

I prefer watching a film to reading a book. I often read a book. Before I choose a book, I read the blurbs on the back covers. I like to read adventure stories and mysteries.

The last book that I read was *Rainbow Girl*. It was a short story with a life lesson. The brief summary of the plot is: Everyone in Mirabella's village thinks that she is cursed because of her humpback. With the help of her magical powers, she kills the pistacho and saves the people of her village. My favourite character in the book is Mirabella because she has a big heart and never gives up. I enjoyed the book because it was well written and exciting.

My favourite book is "Mother knows best" because it was very exciting and I love Disney Stories.
