

Reading Habits Worksheet

Harry Potter

I prefer reading books, because I like to imagine the people of the story. But I also like to watch films. I try to read every day a bit. Before I choose a book, I read the blurbs on the back covers. When I like the blurbs, I start reading. Sometimes I read a book that my friends or my family have recommended to me. I like to read mysteries and adventure stories.

My last book that I read was "Harry Potter and the Chamber of Secrets". I read it in German on my own e-book reader. I really enjoyed the book, because it was very exciting, but also funny. It is the second book about Harry Potter, an English boy who finds out that he is a wizard. In this book Harry returns to Hogwarts, a school for witches and wizards, and he finds out that he can speak with snakes. And there are signs that the mean and evil Lord Voldemort has returned. The dark lord kidnaps Harry's best friend's little sister Ginny. In the dark cellars of Hogwarts, he fights alone against Lord Voldemort and saves Ginny's life.

My favourite character is Hermine Granger, because she is so clever. I also like Ron's older brothers Fred and George Weasley. They are twins and they always make some jokes and lots of nonsense at school.

Now I have to stop writing. I want to read the next book "Harry Potter and the Prisoner of Azkaban".
